# SOUTH CAROLINA ASSOCIATION OF FARMERS MARKETS

The South Carolina Association of Farmers Markets (SCAFM) is a non-profit, statewide organization focused on supporting and promoting sustainable food in South Carolina.

Our mission is to serve as the voice for the farmers markets in South Carolina, supporting small farmers by creating and sustaining economic opportunities.

The SCAFM strives to build and sustain a sense of community at each of its member markets. We use the venues to provide information on the nutritional value of produce and products purchased from local farmers markets.

We encourage consumers to connect with their food by visiting local farmers markets and meeting the farmers that grow their food. As the demand for local food increases, more and more farmers markets are added to the list of places to buy local.

In addition to using this directory, please visit the South Carolina Farmers Markets' website at [southcarolinafarmersmarkets.com](http://southcarolinafarmersmarkets.com). The website has an up-to-date listing of farmers markets by region, how to become a member, events happening at farmers markets around the state, resources, and a link to contact us.

SCAFM's Facebook page, [facebook.com/southcarolinaassociationoffarmersmarkets](https://facebook.com/southcarolinaassociationoffarmersmarkets), can be very helpful to see special events hosted at markets around the state.

## CERTIFIED SOUTH CAROLINA

The Certified South Carolina Program is a cooperative effort among producers, processors, wholesalers, retailers, restaurants, schools, and the South Carolina Department of Agriculture to brand and promote South Carolina products.

The Certified South Carolina program allows consumers to easily identify South Carolina products through our Certified SC logos. This branding and recognition allows consumers to make informed decisions to support local producers.

Certified South Carolina encourages people to shop locally and support local producers and businesses in the Palmetto State.

For more information or to learn how to become a Certified South Carolina member, visit our website at [certifiedscgrown.com](http://certifiedscgrown.com) or contact Ansley Turnblad at (803) 734-2207 or [aturnblad@scda.sc.gov](mailto:aturnblad@scda.sc.gov).
